

# rod clevis SG-M6

Part number: 3110

★ Core product range

With hexagonal nut, for swivelling cylinder mounting (piston rod side)  
as per DIN ISO 8140.

FESTO

## Data sheet

| Feature                                 | Value                                       |
|---|---|
| Size                                    | M6  |
| Conforms to standard                    | DIN 71752<br>ISO 8140                       |
| Threaded connection                     | Female thread M6                            |
| Corrosion resistance classification CRC | 1 - Low corrosion stress                    |
| Ambient temperature                     | -40 ... 150 °C                              |
| Product weight                          | 22 g  |
| Materials note                          | Free of copper and PTFE<br>Conforms to RoHS |
| Material mounting pin                   | Steel<br>Galvanised                         |
| Material clevis                         | Steel<br>Galvanised                         |
